Research Interests

– Language documentation/description
  – Language contact phenomena within and between multilingual communities
  – Language-internal variation
  – Sociolinguistics and small-scale variation
– Linguistic typology
– Indigenous and minoritized language activism, revitalization
– Computational linguistics
  – Web implementations of analysis tools
  – Tools for documentation and description contexts
  – Ontologies and Knowledge Graphs to represent belief states of a speaker/signer/author

Education

2021	**B.A., Linguistics**, University of Texas at Austin (UT Austin) Cumulative GPA: 3.7723 Major GPA: 4.0000 *Certificate*: Elements of Computing
2018	**Semester Exchange in Linguistics**, Australian National University (ANU)) GPA: 4.0000

Coursework:
Advanced Sociophonetics
Qualitative Methods in Linguistics
Learning an Indigenous Australian Language (Gamilaraay)
Dictionaries and Dictionary Making
Field Methods (Motu, Austronesian)

Research and Work Positions

Research positions

2021-Pres.	**Ontology developer**. Active Interpretation of Disparate Alternatives Research Group (AIDA). Supervisor(s): Dr. Katrin Erk Organization: Defense Advanced Research Projects Agency (DARPA)

- Annotated and evaluated contradictory texts with disinformation about SARS-CoV-2/COVID-19
- Developed an ad-hoc ontological mapping through conversation between teams
- Ran metrics on similarity of graph nodes to determine gold standard for comparison with machine-parsed texts

- Contributed to building a more thorough model of claims involving belief states and temporal/aspectual dimensions

2017-2020   **Research Assistant**. Naduhup Documentation Research Group.
Supervisor(s): Dr. Patience Epps
Organization: UT Austin

- Reformatted dictionary, fixing encoding problems and inconsistencies, and incorporated it into a database
- Conducted analyses about historical contact and evolution of Naduhup languages

2018-2019   **Research Assistant**. Bilingual Annotation Task Force.
Supervisor(s): Drs. Jacqueline Toribio and Barbara Bullock
Organization: UT Austin

- Validated annotations of code-mixed language texts
- Vectorized and reduced dimensionality of texts and applied biological and statistical models to propose analyses about code-mixing

2018   **Visiting Fellow**. Matukar Panau Phonetic Variation Project.
Organization: The ARC Centre of Excellence for the Dynamics of Language

- Cleaned minorioty language data and pruned it for primary investigation to find points of interest
- Created pronunciation dictionary of annotated dataset
- Modelled audio to create automated text alignment with audio
- Ran algorithm for recursive performance of alignment
- Programmed statistical models to understand the sociolinguistic scene of this language

Work positions

2020-2021   **AI Specialist Intern**. Appen Butler-Hill.

- Researched industry standards for user behavior data evaluation
- Mapped text-based data into abstracted web ontology
- Compared knowledge graphs of varied texts

2016-Pres.   **Spanish Tutor**. Independent.

- Practiced conversational Spanish with students in one-on-one and group settings
- Generated and executed lesson plans for students just beginning learning Spanish both with and without formal lessons, as well as those with experience
- Worked with students to reach writing and comprehension goals

2016-Pres.   **Hindi Tutor**. Independent.

- Leveraged linguistics experience in comparing Hindi and English patterns to augment learning beyond basics
- Practiced conversational Hindi with students in small scale tutorials

2019   **Machine Learning Instructor**. iD Tech.

- Redesigned faulty curriculum for teenager-oriented machine learning lessons
- Led classes through tutorials about machine learning algorithms and implementations
- Guided students in individual projects utilizing what they learnt

2018   **Primary Web Developer**. Gamiliaraay (Kamilaroi) Revitalization Project.

- Consulted with indigenous community representatives to design a site oriented toward cultural preservation
- Recycled and revamped existing designs to better match the specification

2017   **Programming Instructor**. Wize Academy.

- Created a curriculum of lessons to teach coding aimed towards Minecraft
- Led ten lessons in programming for a class of 9 children

2016   **Theatre Camp Counselor**. New Age Montessori School.

- Ran a weeklong theatre camp for young children (elementary school)
- Directed a short play, incorporating the students' ideas consistently
- Planned curriculum to integrate with teaching blocking and acting for the play

Workshops and Reading Groups

Workshops

2019   *Phylogenetics: Computational Historical Linguistics*. Host: Claire Bowern. Yale University. Linguistic Society of America Annual Meeting

2019   *Documenting Multilingualism*. Hosts: Lenore Grenoble, University of Chicago and Jack Martin, University of William & Mary. Linguistic Society of America Annual Meeting.

2018   *Using your own language data for speech recognition*. Host: Daan van Esch, Google. University of Melbourne.

2018   *Directionality and Associated Motion Workshop*. Host: Harold Koch, Australian National University. Australian National University.

2018   *Working in Tech–It's Not Just for Computational Linguists*. Hosts: Samantha Beaver, Memra Language Services; Sam Cooper, NoRedInk; Christopher Stewart, Google; Frankie Pennington Sensory, Inc.; Brent Woo, Amazon. Webinar by Linguistic Society of America's Linguistics Beyond Academia Special Interest Group

2018   *Support Vector Machines as a Sociollinguistic Tool*. Host: Tyler Kendall, University of Oregon. New Ways of Analyzing Variation (NWAV) 47

2017   *Sociophonetics Workshop: Big Data and Social Research*. Host: Malcah Yaeger-Dror, University of Arizona. UT Austin.

Groups and Seminars

2021-Pres. *Linguistic theory reading group* (Monash University)

2017-Pres. *Graduate seminar for research in documentary/descriptive linguistics* (UT Austin)

2016-Pres. *Undergraduate Linguistics Society* (UT Austin)

2020-2021 *Formal approaches to morphology* (ANU)

2019-2020 *Grammatical theory reading group* (ANU)

2017-2020 *South Americanist seminar* (UT Austin)

2018-2019 *Phonetics discussion* (ANU, CoEDL)

2018 *Grammar writing* (ANU, CoEDL)

2018 *Language evolution and change* (ANU, CoEDL)

2018 *Programming in R for linguistics* (CoEDL)

Awards and Grants

2020 **Unrestricted Endowed Presidential Scholarship** (Office of Financial Aid and Scholarship).

2019 **President's Award for Global Learning** (International Office).

2019 **Unrestricted Endowed Presidential Scholarship** (Office of Financial Aid and Scholarships).

2018 **Liberal Arts Honors Upper Division Scholarship** (Liberal Arts Honors).

2018 **Transdisciplinary Innovation Grant** (The Centre of Excellence for the Dynamics of Language).

2018 **Undergraduate Research Scholarship** (School of Undergraduate Studies).

2018 **Undergraduate Research Apprenticeship Program** (College of Liberal Arts).

2018 **Liberal Arts Honors Research/Conference Award** (Liberal Arts Honors).

2017 **Liberal Arts Honors Scholarship** (Liberal Arts Honors).

2017 **Liberal Arts Undergraduate Research Scholarship** (Office of the Vice President for Research).

2017 **Liberal Arts Undergraduate Research Scholarship** (Office of the Vice President for Research).

2017 **Liberal Arts Honors Upper Division Scholarship** (Liberal Arts Honors).

2017 **Scholarship for Exchange Programs** (College of Liberal Arts).
